The Hong Kong Shippers' Council supports 2026-27 Budget

- The Hong Kong Shippers' Council supports the initiatives related to freight logistics in 2026-27 Budget announced by the HKSAR government.
- These strategic initiatives will reinforce Hong Kong's maritime status and deliver greater value to users worldwide.
- We fully endorse the forward-looking policies and measures introduced by the HKSAR Government, as this Budget demonstrates a clear understanding of the sector's needs and a commitment to strengthening our competitive edge.
